

executive chef: kevin templeton

we are barley mash,
an American bar and restaurant located in
the heart of the Gaslamp Quarter and devoted
to all things barley: beer, bread and bourbon.
We believe that life is meant to be sipped and
savored, and good times should always be shared.
Wrap that vision up with 30 handcrafted beers on tap,
a love for bourbon, our progressive scratch-made
and sustainable bar fare menu, and you've got the
barley mash culture.

It is our hopes that upon entering our doors,
you feel that our home is yours.
