5 PORK BELLY DISHES YOU NEED TO TRY NOW

BARLEYMASH

Unlike your typical for-dinner pork belly dish, this one dares to be different with its appearance on the barley mash brunch menu. The All In barleyhash features a mixture of pork belly confit, stout-braised short ribs, honey porter pulled pork and a pepper jack cheese beer sauce. It also has a roasted potato hash (thus “barley mash”), a three-cheese blend, mixed peppers and onions, all topped with two fried eggs.
